This **Sunday, August 2**, is our First Baptist quarterly business meeting, which will take place directly after the worship service. We will shorten our Communion service with the business meeting in mind, with fewer songs and a briefer message. With the uptick in COVID cases in our area, we want to be sensitive to the amount of time we share enclosed space - prioritizing the safety and health of each other.

The Harlow School Bus Service is currently looking for bus drivers. For additional information
