"Thank You"

Thank you for completing a "**Church Member Profile**" for the weekly Newsletter. This gives each of us the opportunity to get to know one another better and how God has worked in the life of our church. If you have not yet completed your "**Church Member Profile**" you can find them on the table in the Narthex.

Mask Protocol

After much thought and discussion, the CLT has unanimously approved changing our mask protocol. We will start this change immediately. Our new protocol will read “Masks are now optional, but are still strongly recommended by the CDC if you have not been vaccinated.”

Before You Leave Church Today

Before you leave the building today, please consider blessing someone on our Prayer List by writing a to write a "Care Note" to them. We are a caring church and people need our prayers, especially when they are unable to attend due to illness, being shut-in, or some other reason. You can find Care Note cards and a copy of the Prayer List on the table in the back of the sanctuary. All you need to do is write your note, place the person's name on the envelope, and drop it off in the church office. The church will mail the card for you!
