Birthdays this Week

May 15th Joshua Ngoma

FBC Member of the Week

Mary Ann Simpson has been attending FBC since 1965. Her husband, Don, was a Baptist. She and her two sons were baptized here. The church was very welcoming to them.

Mary Ann especially likes that the church is so friendly and that you feel like you are with friends and family. She has also served the church in various capacities over the years. The large beautiful evergreen tree in front of the Pioneer Room (Noma Rue addition) was planted in memory of her son, Denny (1957-1987).

For anyone thinking about joining FBC, Mary Ann said "Come and enjoy. You will feel welcomed by all and feel this was the church you have been looking for."

Sunday's Sermon

"The Influence of Godly Women".
2 Timothy 1:1-7

First Quarter Business Meeting

If you missed the First Quarter Meeting, reports are available at the church office.

Stop by and pick one up or contact the office at 701-223-8614 to have one mailed to you.

Prayer Chain

Wouldn't it be nice when a need occurs that you can call someone from the church to ask them to pray for you? We read in the book of Acts that the early church was constantly devoted to prayer. We need prayer now too! If you are interested in organizing and putting a "Prayer Chain" together for our church family please let the Pastor know.

Believer's Baptism

Believer's baptism is being planned for Sunday, May 16, 2021 in the morning worship. If you have not been baptized and are interested, please contact Pastor VanLoon on Sunday morning or at the church office during the week.

Lost & Found

Hello! There items in the lost and found that have been there for almost two years. You may want to take a look before we dispose of the items at the end of the month. Check out the blue bin (and items on the hangers above the bin) in the coat area.

Mother's Day

Motherhood is woman's vocation yesterday — today — always. It is her eternal vocation.

A mother is the one who understands everything, and embraces each of us with her heart...

Today the world is hungrier and thirstier than ever for that motherhood which, physically or spiritually, is woman's vocation — as it was Mary's!
