Thanks to the entire First Baptist Church Family for their love to me. My sincere thanks to all who have helped me and still have plans to help me. May God, almighty continue to bless and replenish their sources.

We have received so many phone calls, notes in the mail, and surprises left at our door during the past two months. They all let us know you have been thinking of us and praying for us. We appreciate your love and your care so much, and thank God for each of you!

We are still on track for the church re-opening on **June 7<sup>th</sup>**. We are working on obtaining supplies and devising a plan to keep our members as safe as possible. We will keep you posted on the plans once they are finalized. At this time we are looking only at opening for Sunday Worship. Sunday and Wednesday Bible Studies will still be on hold.
