Church Member Profile

Please remember to turn in your "Church Member Profile" to the church office or in the box titled "Church Member Profile" located in the Narthex entry way of the church. In an effort to help new and existing members, and others who attend First Baptist Church, to become better acquainted and get to know each other, we would like to begin including a short (edited) profile version of each of our current members in the church newsletter each week for the "Member of the Week" section. Copies of the form are also located in the Narthex. Thank you very much for your help.
